- Wireless connectivity via the hue bridge

StoryLight offers so much more with Philips hue

- Compatible with Philips Hue and other hue apps
- Create light settings based on your favourite photos

PHILIPS

Features

Magical stories with light

StoryLight brings your favourite Disney stories to life! StoryLight interacts with the Disney Storytime app. Flip a page of the e-book on your smart device and see the light colour of the StoryLight change to match the story.

Disney Storytime app

The StoryLight interacts with the Disney Storytime app, the largest collection of Disney stories in one app. Get 3 beautiful stories with the app: Toy Story: Starry Night, Tangled: Rapunzel's Story and Monsters, Inc: Always time for a laugh. Grow your collection of e-books up to 40 stories by in-app purchase.

Available via Apple

Available on the App Store

Purchase your StoryLight via Apple store and download Disney Storytime app easily from the App Store. The Disney StoryTime app is currently available in English.

Choose your favourite colours

While reading your favourite Disney stories, you can also change the colour of the light to match the story yourself. With the colour picker choose the colour that matches your mood on the pages and make your imagination come to life!

It's easy to get started

Get started in a few easy steps with StoryLight. Just download the app, locate the bridge and follow the steps on your screen.

There is more to StoryLight

FRIENDS OF hue PERSONAL WIRELESS LIGHTING

StoryLight also integrates seamlessly with the Philips hue and Friends of hue system. Download the apps, so you can choose from 16 million colours with a touch of your finger and do so much more. Create the mood and ambience for your home environment with coloured light. There is so much more to StoryLight!

Personal lighting scheme

Create and control your personal lighting scheme and preferences on StoryLight via the hue apps. Did you know you can even choose colours to set the light scheme from your favourite photos?
