Highlights

High power LED

Philips outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output, high light quality and a long lifetime.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Bi-directional light effect

Bi-directional light effect for general garden illumination.

Performance at low temperatures

High-power LEDs by Philips perform at low temperatures meaning that they will not flicker and start instantly, so you always get the best light quality.

Modern outdoor lighting

Impressive, bold and minimalist outdoor lighting by Philips. Philips outdoor's elegant modern style is the perfect way to grace gardens, pathways and outdoor spaces with light.

Elegant materials

Philips outdoor lighting uses high-quality and resistant materials - aluminium, stainless steel - perfectly suited to lasting beautifully year after year.

Full choice of applications

Philips outdoor lighting offers several applications to cover broad lighting needs: wall, pedestal, ground spots, recessed spots.

Designed for outdoor use

IP44 protection means this light is designed for outdoor use, so you can be sure that Philips outdoor lighting will brighten up your garden come rain, shine or snow. And it uses best-in-class Philips power LED technology that's very easy to maintain, plus extremely long lasting.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.
