

RED COMPACT

Model: 2743/10
Code: 00P274310AR0
EAN: 8003705114364

To complete the Redline range Ariete presents "Red Compact" a super compact vacuum cleaner! Red compact, with its elegant lines and just 700W consumption, is extremely practical, reduces power consumption but provides maximum vacuum power, removing mites and germs from all surfaces, including carpets. The vacuum cleaner, with hypoallergenic washable HEPA filter and metal tube, is equipped with a convenient tank with a capacity of 2 l which can be easily removed and emptied, without any direct contact with dust. It vacuums every corner of your home without effort!
