
Lamp (Dimmable)

- 5 W (40 W)
- E27
- Warm white
- Dimmable

8718696575154

Designed to be seen

Looks good off and on

Familiar shapes you know and love. They use around 80% less energy than traditional light bulbs thanks to the latest LED energy-saving technology, and last ten times longer.

Benefits

Designed for perfect light quality

- True incandescent-like warm white light (2700 K)
- Vintage style, modern LED technology
- Omnidirectional light

Innovative design

- Energy saving

Warm sparkling light

- Dimmable

Features

Warm white light (2700 K)

Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.

PHILIPS

LED

Dimmable

Designed to provide quality dimming to create the right ambience for any activity, from relaxed to active atmospheres.

LEDClassic (filament)

LED Classic bulbs are based on standard LED energy-saving technology, except the LEDs are arranged in such a way as to mimic classic incandescent bulbs. Now you can enjoy this retro-style bulb with state-of-the-art technology.

Omnidirectional light

This innovative lens delivers omni-directional light distribution, preventing the shadow that normally appears at the beam spread edge. The result? Natural, warm white light all around.

Saving up to 80%

Providing the same incandescent look and feel, while saving energy at the same time.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Lamp characteristics

Shape	Lamp
Cap/fitting	E27
Dimmable	Yes
Voltage	220–240 V
Lamp shape code	A60

Power consumption

Wattage	5 W
Wattage equivalent	40 W
Energy efficiency label	A+
Light output [lumen value]	470 lm

Light characteristics

Colour	Warm White
Colour temperature	2700 K
Colour rendering index (CRI)	80
Starting time	<0.5 s
Warm-up time to 60% light	Instant full light

Durability

Lifetime of lamp	15000 hour(s)
Number of switch cycles	20000
Lumen maintenance factor	0.7
Average life (at 2.7 hrs/day)	15 year(s)

Lamp dimensions

Height	111 mm
Width	60 mm

Other characteristics

Lamp current	29 mA
Range	LED Classic
