Power supply unit EU standard plug

Outdoor luminaires

GardenLink

Power supply unit

24V Low voltage

8720169269378

A garden light that you can simply plug in, connect and enjoy

The Philips GardenLink low-voltage family offers a range of outdoor luminaires that you can easily and safely install. You can connect multiple lights to a single power supply and plug it into a standard socket, then easily add additional lights or reposition them whenever you like. Wiring is simple, and the low-voltage means that there's no danger of harm to you, your kids or your pets.

Ease of use
- Compatible with all GardenLink luminaires and accessories
- Easy to install with Twist & Lock connectors

Safe to use
- Extra safety with 24 V low voltage

Designed for outdoors
- IP44 – weatherproof

Highlights

Compatible with all GardenLink luminaires and accessories
Every GardenLink luminaire offers the same Twist & Lock connector for easy installation and connection. You can reposition the luminaires and accessories as your outdoor illumination needs change, adding light to every corner of your garden.

Easy to install with Twist & Lock connectors
Super-easy installation and connection with the products' Twist & Lock connectors. Simply plug the lights in and enjoy!

Extra safety with 24 V low voltage
Low-voltage (24 V) lights are safe to install without risk of electric shock – no professional electrician required.

IP44 – weatherproof

This Philips outdoor light is especially designed for humid outdoor environments and has been tested rigorously to ensure water resistance. Its IP44 rating means that it has been certified to offer ingress protection against dust and splashing water – perfect for general outdoor use.
