55H7B UHD TV

Have the world at your fingertips with the Hisense 4K Ultra HD TV. The H7B Series brings you such extreme detail that what you're watching feels incredibly real. Experience the new world of 4K Ultra HD from the comfort of your own couch with the Hisense H7B series.

Product Highlights

With four times the number of pixels into the same screen sizes as traditional 1080p HDTVs, UHD (Ultra High Definition) technology displays four times Full HD resolution, enabling stunningly realistic picture quality and beautifully natural motion for incredible detail.

Enjoy 4K UHD Streaming video through Netflix, YouTube or USB input on your H7B Series and immerse yourself with stunning details.

Accessing your Hisense Smart TV platform has never been faster with Vidaa Lite's Quadcore processor. An easy and intuitive system that gives you quick access and customizable features that best fits your needs.

One of the first certified Netflix Recommended TV's in the industry by modernizing the Smart TV user experience. Lightning fast instant-on technology resumes streaming video and audio services in mere seconds with a single press of a button.
