Place light anywhere, use it with ease

TeaLights is a set with a delightful flickering effect that simulates the flame of a real tea candle. They are supplied in six stylish frosted glass cups. As they are the same size as wax tea lights, they fit into existing holders.

Freedom of placement
- Battery operated, no need to connect to mains while in use
- Weatherproof for indoor and outdoor use

Ease of use
- Fit into existing holders
- Simply tilt the candle to turn it on and off
- Easy wireless induction charging no hassle with wires
- Up to 20 hours of light on a single charge

Safe to use
- LED technology is cool to touch
- Innovative LED technology with extremely long operating life
- No open electricity

Ambiance light effect
- Flickering light that is like a real candle

Highlights

Flickering light
They give off a warm glow with gentle flicker, but without the risk of open flames and hot wax

Easy to switch on and off

By tilting the LED candle light you can switch it on and off. Surprisingly easy and funny.

Wireless charging
Easy recharging of the products with wireless induction charger

Cool to touch

While having the light effect the product remains cool to touch because of the Philips LEDs.

No open electricity
By using unduction charging and waterproof products the user is not confronted with open electricity.

Weatherproof
Weatherproof for indoor and outdoor use

Rechargeable batteries
They provide more than an evening of light per charge, and are easily recharged using the wireless induction charger.

Up to 20 hours of light
They provide more than an evening of light per charge, and are easily recharged using the wireless induction charger.
