Decorate your home with light

design lamp

The curve of this sweeping elongated silhouette—studded with tiny high-power lights—resembles a swooping feathered wing. It's a natural shape that works perfectly in these stunning spot lights, finished in high quality metals.

Fit the lighting you really want
- Expressive and elegant forms, premium materials
- Multiple applications and finishes to suit your taste

Advanced LED light
- High Power LED
- High light quality with strong light output
- Warm white light effect

Special characteristics
- Functional decorative light combined with orientation light
- Integrated switch box
- Rotates freely in any direction

Sustainable light solutions
- Extremely long operating life
- Energy saving

PHILIPS

Highlights

Forms and materials

Offering multiple styles to blend perfectly into anyone's home, the Philips inStyle lighting fixtures are designed to match a wide range of interior decorations. With a range of applications and finishes available, they combine well with features such as curtains, furniture, paint and accessories to complete the look you want. Careful attention to detail and design help you to express your personal style and perfect your interior decoration, creating an inviting ambiance that you and your friends and family will enjoy.

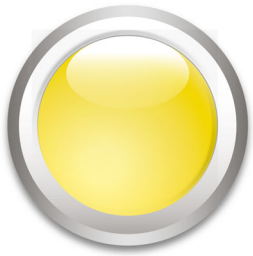
Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips inStyle. It's a range of decorative suspension lights, wall lights, ceiling lights, floor and table lamps in premium materials and different colours.

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Warm white light effect



Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of high-power LEDs, providing a warm white light reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

High light quality

An LED lighting module of 7.5 W produces the equivalent light output as a 40 W incandescent lamp (350 Lumen). Save energy with strong light output.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Integrated switch box

An integrated switchbox makes it very easy for you to switch between full light and orientation light functions.

Specifications

Design and finishing
- Material: metal
- Colour: matt chrome

Extra feature/accessory incl.
- PowerLED integrated
- Perfectly suited for orientation lighting
- Integrated switch box
- Rotates freely in any direction

Product dimensions and weight
- Height: 12 cm
- Length: 107.3 cm
- Width: 29.9 cm
- Net weight: 4.280 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 6
- Wattage bulb included: 5 W
- Maximum wattage replacement bulb: 5 W
- Light colour: 2700K warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 50°
- Bulb technology 2: LED, Safety Extra Low Voltage
- Number of bulbs 2: 2
- Wattage bulb included 2: 2.5 W
- Maximum wattage replacement bulb 2: 2.5 W
- Light colour 2: 2700K warm white
- Lamp lifetime up to 2: 20,000 hrs
- Beam angle 2: 120°
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 15.2 cm
- Length: 112.3 cm
- Width: 25.3 cm
- Weight: 5.520 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom, Kitchen
- Style: Contemporary
- Type: Ceiling light
