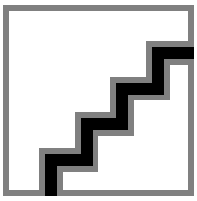
PHILIPS

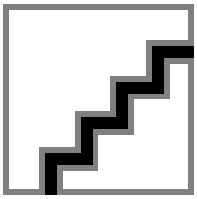
Features

Designed for kids



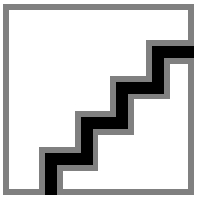
The LivingColors Micro Cars brings a world of colored light to your child's bedroom and play area. Specially designed for kids, the LivingColors Micro Cars is sure to create playful moments.

Nice diffused light effect



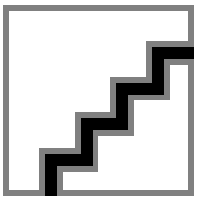
With the diffused light effect of the LivingColors Micro Cars, the colors blend in naturally and can also create a relaxing atmosphere. Your child can choose its favorite color to guide him into a night filled with colorful dreams.

Automatic color changing mode



Just push the on/off button for 5 seconds and let the LivingColors Micro Cars do all the work by showing you the whole range of colors automatically.

Choose from 64 colors



Let their imagination come to life! Your child can select its own favorite color out of the 64 different color options.

On-product control

By touching and swiping the color strip on the product, your child can easily select every color it likes. So easy and incredibly fun to paint the room with colored light.
