

Table lamp

- RETROPLANET
- brown
- LED

57035/44/LG

Create light, control shadows

The Lirio Retroplanet table lamp has one foot in the past, its head in the present and its retrofit LED light source in the future. With its retro design, colour and looks, it's giving a clear nod to the 50s.

Benefits

Innovative lighting

- High PowerLED
- Energy saving
- Warm white light effect

Special characteristics

- Compatible with wall dimmer
- On/off switch on article

Features

High PowerLED

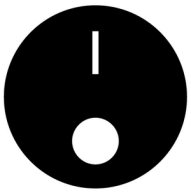
The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

PHILIPS

On/off switch on article

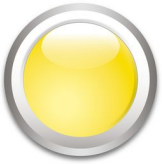


With the button discreetly integrated in the article, you can easily switch the light on and off.

Energy saving

This LIRIO by Philips light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light effect



Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high-power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
