CCAM720DAHD

720P Dome AHD CCTV Camera

The Conceptronic 720P Dome CCTV Camera is a high-quality surveillance device. Built-in infrared (IR) supports night monitoring for distances up to 20 metres, providing crystal-clear images at any time, under any light conditions. In addition, an IR correction feature avoids shifts of focus in both visible and infrared ranges, ensuring clear vision twenty-four hours a day. The quality cameras also offer full-screen, high resolution recording and playback. The 720P Dome CCTV Camera is a great accessory for use with the Conceptronic 8-Channel Surveillance Kit, providing everything you need for safe, secure surveillance of your home or business for the utmost in peace-of-mind.
