Gold Privacy Filter 21.5" 16:9

eSTUFF Gold Privacy Filter – Premium Privacy with a Golden Touch
Add a layer of luxury to your privacy protection. The eSTUFF Gold Privacy Filter delivers high-contrast, high-resolution screen clarity for the user, while presenting a striking golden shield to anyone viewing from the side. It's privacy with style – perfect for professionals who want to stand out while staying secure.

Confidential Viewing, Vibrant Shielding
Whether you're working in public or in a shared office, this filter keeps your screen content private. Its advanced "black-out" technology ensures crisp visibility from the front, while blocking side views beyond a 60-degree angle – turning your screen into a golden mirror for onlookers.

Added Screen Protection, Smooth Touch Experience
In addition to privacy, the filter protects your screen from scratches and daily wear. Its smooth surface supports natural touch interaction, allowing for effortless swiping, tapping, and typing.

- Blocks side views beyond a 60-degree viewing angle
- Reduces 51% (±5%) of blue light transmission (blue ray wave 440-460 nm)
- Reversible with glossy gold and glossy black viewing options
