TABLET-10 NEWSTAR TABLET MOUNT

Newstar Universal Tablet Mount (VESA 100x100mm) - Silver

The NewStar tablet mount, model TABLET-10 is a universal tablet mount offering the tablet maximum functionality. This mount installs on any bracket using VESA100 hole pattern. Select a wall-, desk- or ceiling mount and install the tablet bracket using the VESA holes.

In combination with ceiling-, desk-, or wall mounts this universal bracket becomes a powerful tool allowing tilt, swivel, rotation, height and depth adjustment depending on the selected mount. With VESA 100x100 hole pattern this bracket can be used with most mounts from different brands. Select the best solution for your needs and combine it with NewStars' tablet mount.

The mount has been arranged both for left - and right-handed users. Most tablets are appropriate on this holder. By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.
