PHILIPS

Wall light
Playful white

331003116

Highlights

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventionnal bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!

Ultra long bulb life

Philips bulb included with an ultra long bulb life, up to 10.000 hours.

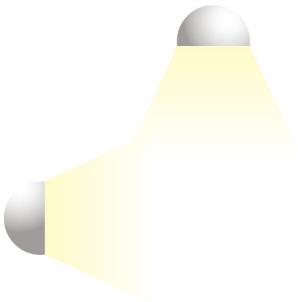
Easy to connect

With one, two, three or more you can harmoniously create shapes and shades of light on your wall or ceiling and make this luminaire your own!

Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Wall and ceiling installation



Install this lamp as a wall light or ceiling light, just the way you like it.

Stylish white

Simple, soft and always stylish, white is a timeless delighting color bringing purity to any interior.
