GC5057/28

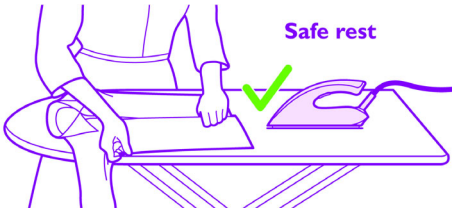
Steam 50g/min;200g steam boost SteamGlide soleplate, Safety Auto off + Anti-calc, Safe for all ironable garments

Highlights

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% safe



100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

Tested and approved:

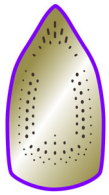
WOOLMARK APPAREL CARE gold

I.W.T.O. RECOMMENDED TOP PERFORMANCE

DWI an der RWTH Aachen e.V. Interactive Materials Research Excellent results

This iron is tested and approved by independent textile experts institutes for its excellent ironing performance, such as DWI, IWTO, Woolmark. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology has been so far the only brand able to be certified with the Gold standard from Woolmark. You can be confident that the Woolmark-approved apparel care products are ideally suited for any wool garments.

Anodilium soleplate



Anodilium

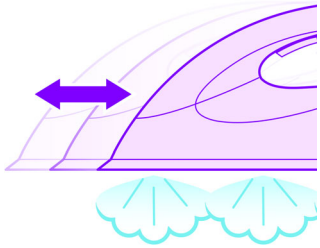
Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

2600 W for fast heat-up

2600W max

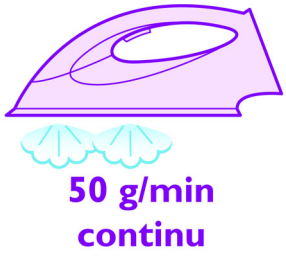
2600 W iron for fast heat-up and powerful performance on all your ironable garments.

Auto Steam Sensor



The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

Constant steam up to 50 g/min



Constant powerful steam up to 50 g/min for better crease removal for all your garments.

Pressurised steam iron with OptimalTemp and Constant steam up to 50 g/min

GC5057/28
