PHILIPS

Features

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

38mm thermo brush

The thermo brush has an extra wide diameter of 38mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

650W

This 650W airstyler creates the optimum level of airflow for a gentle drying power to help you achieve beautiful results every day.

Two flexible settings

The speed and heat required can be easily adjusted to create the perfect end result.

2 years guarantee

2 years of worldwide guarantee.

1.8 m cord

1.8 m cord for maximum flexibility.
