

Philips MiniVac

Handheld vacuum cleaner

- 4.8V battery
- Bagless Cyclonic
- Crevice, brush tool, squeegee
- Wet & Dry

FC6142

Powerful MiniVac for a better cleaning result

Wet & Dry system and aerodynamic nozzle

Enjoy a better cleaning result with the powerful Philips MiniVac Wet&Dry 4.8 V vacuum cleaner. Clean both liquid spills and dry dirt in comfort with its wet-and-dry system. The aerodynamic nozzle design ensures a superior dust pick-up.

Benefits

Always at hand
- Slim charging base (for wall or table)

Easy to use
- Looped handle ensure optimum grip
- One-step click-off nozzle for easy emptying

High power guaranteed
- Powerful 3.6 V NiMH batteries

Optimal filtration
- 2-stage bagless cyclonic airflow for optimal filtration

Superior cleaning results
- Aerodynamic nozzle design for a better dust pick-up

PHILIPS

Features

Slim charging base (for wall or table)

You can store the Philips Mini Vac on a convenient charging base, mounted on a wall or placed on a table. This means the Mini Vac, with its powerful rechargeable battery, is always ready when you are.

Comfortable grip

The Philips Mini Vac has a looped handle that ensures optimum grip. You can grab the Mini Vac in any way you like. The soft rubber coating feels gentle and gives the firm grip you need.

2-stage bagless cyclonic

The bagless cyclonic airflow keeps the dirt inside rotating to ensure optimal, high suction power and lasting cleaning performance. Its 2-stage filtration system ensures that, once inside, the dirt cannot escape. The first filter blocks most dirt, while the second filter traps the finer dust particles.

One-step click-ff nozzle

The Philips MiniVac vacuum cleaner is easy and quick to empty and hygienic to clean. The Philips MiniVac has a nozzle that easily clicks off in just one step, so you can empty the Mini Vac without touching the dirt.

Aerodynamic nozzle design

The aerodynamic nozzle design of the Philips MiniVac is created to ensure an optimum dust pick-up of even the most fine dust particles. The ergonomic shape of the nozzle helps you to clean even the most hard-to-reach areas.

Powerful 3.6 V NiMH batteries

The powerful longer-lasting Nickel-Metalhydryde (NiMH) batteries of the Philips MiniVac do not cope with memory effect. This effect reduces the capacity of the battery over time, reducing the runtime. This Mini Vac with NiMH batteries ensures longerlasting power versus products with the standard Nickel-Cadmium (NiCd) batteries that do have memory effect.

Specifications

[field not found 'disclaimer_text']

Design

Color	Blue
Design features	Translucent dust chamber

Filtration

Dust capacity	0.5 l
Filter system	Wet and dry system

Nozzles and accessories

Accessories included	Charging base

Performance

Battery voltage	4.8 V
Charging time	16-18 hour(s)
Input power (max)	56 W
Runtime	9 minute(s)
Suction power (max)	9 W
Vacuum (max)	2.9 kPa
Airflow (max)	530 l/s
Sound power level	76 dB

Weight and dimensions

Dimensions of packaging (LxWxH)	508 x 335 x 490 mm
Weight of product	1.4 kg
Dimensions of product (LxWxH)	460 x 160 x 160 mm

Packaging dimensions

Height	16.00 cm
Width	46.00 cm
Depth	16.00 cm
Nett weight	1.52 kg
Gross weight	1.84 kg
EAN	08710103531654
Number of products included	1
Country of origin	CN
Harmonised Systems Code	850811

Outer Carton

Length	50.00 cm
Width	33.00 cm
Height	47.50 cm
Gross weight	11.96 kg
EAN	18710103531651
Number of consumer packagings	6
