# Highlights

## Decorative outdoor lighting
Outdoor lighting can improve the look of your garden or outside space, illuminating eye-catching features, lighting pathways with style or creating the perfect ambience for those memorable evenings with friends and family.That's why Philips has created myGarden, a range of beautiful decorative outdoor lighting with the flair and functionality to help you make the most of your outdoor space in your own style.

## Choose heritage style
Designed in Europe, this lamp has a unique design signature to help you create a heritage outdoor look.

## Choose outdoor wall lights
Make the most of your outdoor space with this wall light, perfect for mounting close to your front door or on your terrace walls.

## High quality material
This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

## Philips bulb always included

High-quality Philips EcoClassic bulbs are included in the box for achieving the best light effect.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Powerful light
This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or terrace.

## Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.
