

LogiLink®

USB Suitcase Turntable

Art. No.: **UA0270**

Best connectivity

Play your favorite music—on the go!

With a vintage briefcase style design, the Logilink suitcase turntable not only recalls you the good old days of vinyl records but also allows you to easily take your music on the go.
This 3-speed portable turntable features built-in stereo speakers, auxiliary input, headphone jack and RCA outputs which let you conveniently enjoy all kinds of music conveniently anywhere.
It is also USB enabled to record your favorite vinyl to digital files on your computer with the supplied software.

Features:

» Portable fashionable suitcase design for easy carrying
» Three turntable speeds: 33, 45 and 78 RPM
» Convert turntable to MP3 via USB connection to either Mac or PC
» 45 RPM adapter included
» Built-in stereo speakers for convenient listening anywhere without needing an external speaker
» RCA (R & L) outputs for simple connection to home audio equipment
» Aux in port to connect to other audio sources easily
» A headphone jack and volume control
» Convenient Auto-Stop feature kicks in when it reaches the end of the record
