- Soft glowing nursing light

Comforting night light
- Comfortable night light

Intuitive and user-friendly light
- Easy switch for nursing or sleeping time

Sweet dreams with comfortable environment
- Room temperature indicator

PHILIPS

Features

Cool to touch LED technology

Child-friendly

This lamp creates an environment which encourages children to indulge in what they enjoy most: fun and creativity! What's more, this lamp is also designed to be safe for your child: it is cool to touch, robust and users non-toxic paint.

Soft glowing nursing light

The typical lighting in a room is often too bright for night nursing, and will jolt both you and baby wide awake. Birdie's soft glowing light is gentle on you and especially on your little one to go back (return) to sleep quicker after nursing.

Comfortable night light

Birdie has a comfortable night light you can easily see in the dark.

Easy switch

With just one tap, Birdie switches from a feeding light to a night light.

Room temperature indicator

Your baby can be very sensitive to slight changes in temperature, so the right room temperature is very important for your baby's sleeping comfort. At a glance, Birdie can tell you the room temperature; it glows yellow when it is just right between 16 to 24 degree Celcius, orange when it is too hot, and green when it is too cold.

Specifications

[field not found 'disclaimer_text']

Design and finishing

Material	synthetics
Color	white

Extra feature/accessory incl.

On/off switch on article	YES
LED integrated	YES
Power adapter included	YES

Product dimensions & weight

Height	16 cm
Length	16.2 cm
Width	16.2 cm
Net weight	0.612 kg

Technical specifications

Mains power	220 V
Number of bulbs	1
Wattage bulb included	3 W
Maximum wattage replacement bulb	3 W
Number of bulbs 2	1
Wattage bulb included 2	0.6 W
LED	Yes
Maximum wattage replacement bulb 2	0.6 W
IP code	IP20 protection against objects bigger than 12.5 mm no protection against water
Class of protection	III - safe extra low voltage

Service

Warranty	1 year(s)

Packaging dimensions & weight
