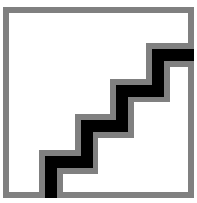
- 80% energy saving

Long lifespan

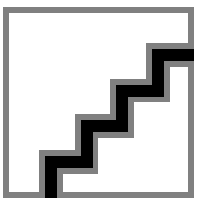
- Extremely long life 20,000 hours

Features

Premium materials



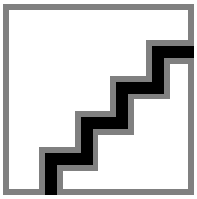
80% energy saving



Up to 80% energy saving compared to standard incandescent light sources.

PHILIPS

Extremely long life



A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Specifications

[field not found 'disclaimer_text']
