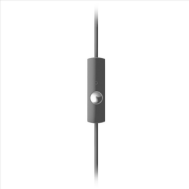
Use them for longer
• 3 interchangeable rubber ear caps for optimal fit in all ear
• Ultra-small for snug comfy in-ear fit

PHILIPS

Features

Integrated microphone



With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy handsfree calling, while easily accepting and ending calls from your headset.

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

Perfect in-ear seal

The Super-small speaker drivers of these Philips earphones fit comfortably inside the ear and thanks to the exceptionally snug fit the outside noise is sealed out for high-intensity listening experience.

Rubberized cable relief

To extend product life, soft rubber between headphones and cable protects cable connection from damage through repeated bending.

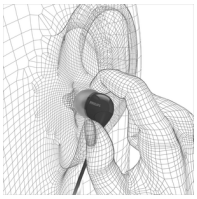
Small efficient speakers

Small efficient speakers for Philips earphones ensure an exact fit and deliver precise sound with powerful bass, ideal for your listening enjoyment.

For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, surely there is a pair that makes these Philips earphones fit your ear perfectly.

Ultra-small in-ear



Ultra small, lighweight in-ear design for best fit in smaller ears, for long hours listening.
