

Bottle to Cup Trainer Kit

- Natural
- 150 ml/5 oz
- 4m+
- 3 hole Medium Flow

SCF251/00

Ease your baby's transition to a drinking cup

Our new Natural bottle-to-cup trainer kit helps your baby transition from bottle drinking to his first cup easily. With the soft-touch grips, your baby will be able to hold the bottle independently while drinking from the familiar teat.

Benefits

Ideal first step to a drinking cup

- Unique Petals for a soft, flexible teat without collapse
- Advanced anti-colic system with innovative twin valve
- Soft touch trainer handles for little hands

Convenient for you and your baby

- All parts are dishwasher safe for convenience
- Interchangeable nipple and soft spout

Other benefits

- This cup is made from BPA-free material
- Compatible with Philips Avent Natural and Classic+ bottles

PHILIPS

Features

Unique comfort petals

Petals inside the teat increase softness and flexibility without teat collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Cup is dishwasher safe

BPA-Free

This Philips Avent cup is made from BPA-free material.

Compatibility across the range

The new Philips Avent cup is compatible with the Philips Avent Natural and Classic+ bottle range (excluding the glass bottle) and all other Philips Avent cups (excluding the Natural Drinking Cup).

Ergonomically designed trainer

Trainer handles help your toddler hold the cup and drink independently. These handles are not only shaped for little hands to grab easily, they are also rubberised for a non-slip grip.

Interchangeable

The sip, no-drip soft spouts are interchangeable with natural nipples. This gives you flexibility to move from bottle to cup whenever your child is ready.
