DESCRIPTION

The EW1521 full-motion TV wall mount is a versatile solution designed to enhance your TV viewing experience. This wall mount is specially made to accommodate most flat screen TVs up to 43", supporting a weight capacity of up to 30kg. Enhance your home entertainment setup with the EW1521 Full-Motion TV Wall Mount, combining functionality, durability and style. Experience maximum flexibility in TV placement and enjoy an immersive, clutter-free viewing environment.
Full-Motion Flexibilit
Enjoy the freedom to adjust your TV to get the perfect viewing angle. With a tilt capability of +5° to -8° and a swivel range of +90° to -90°, this wall mount offers optimal flexibility, allowing you to find the most comfortable and engaging position for your TV.
Robust construction
The EW1521 is built to last, ensuring the safety and protection of your precious television. The sturdy design and high-quality materials contribute to its durability and stability, providing a reliable mounting solution for your flat-screen TV.
Simple cable management
Say goodbye to tangled and messy cables. The integrated cable holder helps you organize and protect cables, maintaining a clean and tidy appearance. This clever feature not only improves the aesthetics of your entertainment setup, but also ensures the longevity of your cables.
Universal compatibility
This TV wall mount is universally compatible with a wide range of flat screen TVs, making it a versatile choice for various makes and models. Compatibility with the VESA mounting pattern increases its adaptability, ensuring a perfect fit to your TV.
