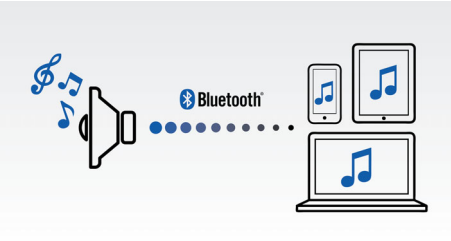
Highlights

Wireless music streaming

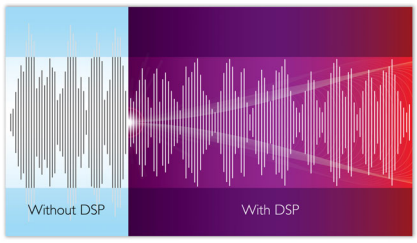


Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to iPod/iPhone/iPad or other Bluetooth devices, such as smartphones, tablets or even laptops. So you can enjoy your favourite music and sound from videos or games wirelessly.

Twin speaker drivers

Twin 1.5" Neodymium speaker drivers deliver natural, clear and balanced sound while dual opposing passive radiators extend and boost bass. Front and back full-range speaker drivers create even 360-degree sound, offering the freedom to enjoy the same quality sound wherever the speaker is facing.

Digital Sound Processing

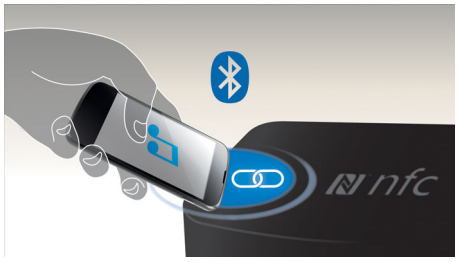


Advanced sound processing technology enhances the reproduction of your music so that each note resonates with crystal-clear accuracy, and each pause is sealed with pristine silence. Philips' proprietary Digital Sound Processing technology optimises the performance of compact speaker boxes, delivering sound that is clear, detailed and powerful without any distortion.

Splash-proof design

Water-resistant design allows enjoyment in wet and rainy environments. Tested to stringent IPX4 standards, internal components are proven to be protected from exposure to the elements, allowing for music enjoyment indoors in the bathroom, kitchen or even outdoors whatever the weather.

NFC technology



Pair Bluetooth devices easily with one-touch NFC (Near Field Communications) technology. Just tap the NFC-enabled smartphone or tablet on the NFC area of a speaker to turn the speaker on, start Bluetooth pairing and begin streaming music.

Built-in microphone

With its built-in microphone, this speaker also works as a speaker phone. When a call comes in, the music is put on pause and you can talk via the speaker. Call for a business meeting. Or, call your friend from a party. Either way, it works great.

AUDIO-IN (3.5 mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device into the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.

Specifications

Product dimensions
- Product dimensions (W x H x D): 18.83 x 7.05 x 6.97 cm
- Weight: 0.486 kg

Outer Carton
- Outer carton (L x W x H): 29.2 x 22.6 x 11.8 cm
- Net weight: 1.316 kg
- Gross weight: 1.8 kg
- Tare weight: 0.484 kg
- GTIN: 1 48 95185 61279 6
- Number of consumer packages: 2

Compatibility
- works with: most Bluetooth smartphones, tablets, music devices
- iPad: iPad 1, iPad 2, new iPad, iPad with Retina display, iPad Air, iPad Air 2, iPad mini 2, iPad mini 3, iPad mini
- iPhone: iPhone 3, iPhone 3GS, iPhone 4, iPhone 4S, iPhone 5, iPhone 5C, iPhone 5S, iPhone 6, iPhone 6 Plus
- iPod touch: 3rd generation or later
- Android tablets and smartphones: with Android 2.1 and Bluetooth 2.1 or above
- other music devices: with Bluetooth 2.1 or above

Design and finishing
- Colour: Aqua

Sound
- Output power (RMS): 2 x 6 W
- Sound System: Stereo
- Speakers: 2 x 1.5"
- Volume Control: rotary

Loudspeakers
- Speaker drivers: Neodymium magnet system

Connectivity
- NFC: Tap-to-pair Bluetooth; works with Android 4.0 or above, and Windows phone 8 or above
- Bluetooth profiles: A2DP, AVRCP, HFP
- Bluetooth range: Line of sight, 10 m or 30 ft
- Audio in (3.5 mm)

Convenience
- Water resistance: IPX4
- Built-in microphone: for speaker conference

Power
- Battery type: Lithium-ion (built-in)
- Operating time on battery: 8 hr
- Power supply: 5V, 2A (USB adapter)

Accessories
- Included accessories: USB adapter, USB cable for PC charging, Quick install guide, Warranty certificate, World Wide Warranty leaflet

Dimensions
- Product dimensions (WxDxH): 188 x 71 x 70 mm
- Packaging dimensions (WxDxH): 282 x 105 x 108 mm
- Product weight: 0.49 kg
- Weight incl. Packaging: 0.79 kg
