Highlights

Pure white light
This light uses the very latest lighting technology with the new state-of-the-art LEDs providing a beam of pure white light with a colour temperature of 4000 Kelvin.

High light output
High-quality light with strong light output, providing a pool of diffuse white light.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Smart lighting solution
if you're after superb light quality and a smart lighting solution that complements the look of your home interior with fine design, try Philips SmartSpot spot lights. It provides a functional range of minimalist recessed designs that blend seamlessly into any interior.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing
- Material: metal, synthetics
- Colour: white

Extra feature/accessory incl.
- Dimmable
- LED integrated
- Diffused light effect
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 6.5 cm
- Length: 23.2 cm
- Width: 23.2 cm
- Net weight: 1.350 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 13 W
- Light colour: cool white
- Total lumen output fixture: 1280 lm
- Fixture dimmable
- LED
- Lifetime up to: 15,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 62 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 25.8 cm
- Length: 25.3 cm
- Width: 7.3 cm
- Weight: 1.610 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom, Functional
- Style: Modern
- Type: Spot light
