Break free from the desk

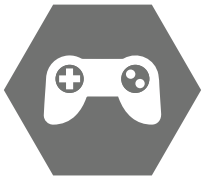
Powerful, portable and with two ways to work and play

Sleek and powerful, this All-in-One computer quickly transforms into a tabletop tablet for multiplayer games on Aura's optimized user interface. An integrated battery allows mobility around the home – whether working, watching videos or playing games. Packed with an amazing store of hand-picked apps, welcome home a device that offers something for everyone.

WHY YOU SHOULD BUY THE LENOVO™ YOGA™ HOME 500

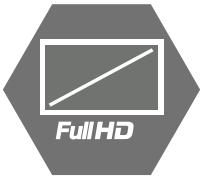
Work and play around the house

An integrated 3-hour battery, WiFi, Bluetooth® and two different ways to work and play allow you to catch up on work or play around the house.



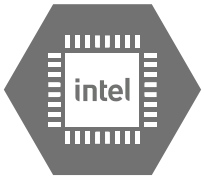
Built for fun

Aura's unique user interface and app ecosystem gives you the ultimate experience when playing with YOGA™ Home 500 as a giant tablet.



One incredible display

Pinch, flick, swipe and drag your way around on an expansive 21.5" Full HD display with 10-point multitouch.



Performance you need

Featuring the latest Intel® Core™ i processors and NVIDIA® discrete graphics, this PC comes packed with all the power you need.

Lenovo™ YOGA™ Home 500

LENOVO™ SERVICES

Warranty Upgrade to Onsite Service
Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.[2]

Accidental Damage Protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.[2]

Warranty Extensions
(Up to 3 Years Total Duration)
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

Lenovo Services Premium Support
One-stop solution for non-warranty challenges with network, security and software setup, performance tune-up and more.[3]

[2] May not be available in all countries
[3] Available in Austria, Germany, Ireland, Switzerland and UK
