The smart combination of light and design

Combine the latest light technology and minimalist design with the Philips Smartspot. This LED ceiling light provides a bright pool of pure white light and will blend perfectly into any interior.

Benefits

Advanced LED light

- Pure white light
- High light output
- Adjustable light intensity with dimmer switch

Sleek designed recessed spots

- Premium material, built to last
- Spot lighting designed for your interior

Sustainable light solutions

- Extremely long operating life
- Energy saving

Features

Pure white light

This light uses the very latest lighting technology with the new state-of-the-art LEDs providing a beam of pure white light with a colour temperature of 4000 Kelvin.

High light output

High-quality light with strong light output, providing a pool of diffuse white light.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion,

PHILIPS

whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Smart lighting solution

if you're after superb light quality and a smart lighting solution that complements the look of your home interior with fine design, try Philips SmartSpot spot lights. It provides a functional range of minimalist recessed designs that blend seamlessly into any interior.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
