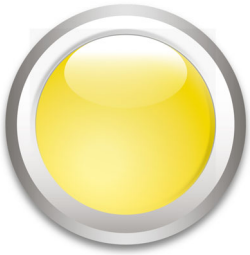
Highlights

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Warm white light effect



Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of high-power LEDs, providing a warm white light reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Adjustable height

This Philips light is delivered with long cables to offer you maximum flexibility during installation. Choose the perfect height to match your needs.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Specifications

Design and finishing
- Material: aluminium
- Colour: aluminium

Extra feature/accessory incl.
- Dimmable
- LED integrated
- Adjustable height
- Tiltable head (up-down)
- Centrepiece

Product dimensions and weight
- Height minimum: 6.5 cm
- Height maximum: 150 cm
- Length: 100 cm
- Width: 17.1 cm
- Net weight: 3.600 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 4
- Wattage bulb included: 6.5 W
- Light colour: warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 85°
- Total lumen output fixture: 840 lm
- Fixture dimmable
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 42 W

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 10.6 cm
- Length: 103.3 cm
- Width: 20.3 cm
- Weight: 4.300 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Modern
- Type: Suspension light

Issue date 2015-06-23

Version: 2.0.1
