28 ppm Printer B/W	28 ppm MFP B/W

Enhanced productivity. Best-in-class cost-per-print.

When you need to keep your business moving and your work flowing, the SP 377DNwX and SP 377SFNwX models have the answer. Equipped with a best in class, ultra-high yield All-In-One toner cartridge, you get up to 6,400 prints straight out of the box and won't need to buy new toner any time soon. With a longer print run, your overall cost per print is reduced and your total cost of ownership is reduced too. And of course, the added print capacity comes at no compromise of compactness or quality.

- Full ultra-high yield cartridge capable of up to 6,400 prints included
- Best-in-class CPP and less frequent purchase and replacement of AIO cartridge
- Compact with 1,200 x 1,200 dpi print quality
- Supports Windows, Mac and Linux IT environments
- Print and scan from Android and iOS smart devices

Ultra-high yield with all the benefits.

Buy less. Waste less.

With the included ultra-high yield cartridge, you have more time before your first cartridge purchase - giving you the ability to focus on your business and keep costs low. And because you're buying less often, your impact on the environment is smaller with less disposal concerns.

Save time. Save money.

This series has an all-in-one cartridge that's easy to replace so it saves you time. Waiting time is also reduced thanks to 8-second first print out and with the MFP, it automatically scans multiple double-sided originals using ARDF (Automatic Reverse Document Feeder) so your efficiency is improved.

Easy access. Easy to use.

A small footprint means you can position these efficient yet advanced printers almost anywhere in the room and they're ideal for small to mid-sized workgroups. Intuitive and ready to use quickly, there's little need for a high level of technical expertise to either manage or install.

Connect everywhere. With every device.

With flexible connectivity, you can print images and documents using the Print&Scan app from Apple and Android Smart Devices. Simply download the app and be on the same network to flexibly print. With AirPrint*, Mopria and NFC, you can print without installing the app too. *SP 377SFNwX model only.

SP 377DNwX / SP 377SFNwX

MAIN SPECIFICATIONS

GENERAL

Warm-up time:	26/30 seconds
First output speed:	8 seconds
Continuous output speed:	28 pages per minute
Memory:	Standard: 128 MB
Duty cycle:	35,000 prints per month
Life:	5 years or 350,000 output
Dimensions (W x D x H):	376/405 x 392/392 x 262/405 mm
Weight:	13/17 kg
Power source:	220 - 240 V, 50/60 Hz

COPIER (SP 377SFNwX)

Multiple copying:	Up to 99 copies
Resolution:	600 x 600 dpi
Zoom:	From 25% to 400% in 1% steps

PRINTER

Printer language:	Standard: PCL5e, PCL6
Print resolution:	600 x 600 dpi, 1,200 x 600 dpi, 1,200 x 1,200 dpi
Fonts:	PCL (45 fonts, International fonts: 13 Intellifonts)
Interface:	Standard: USB 2.0, Ethernet 10 base-T/100 base-TX, Wireless LAN (IEEE 802.11b/g/n)
Network protocol:	TCP/IP
Windows® environments:	Windows® 7, Windows® 8, Windows® 8.1, Windows® 10, Windows® Server 2008, Windows® Server 2008R2, Windows® Server 2012, Windows® Server 2012R2
Mac OS environments:	Macintosh OS X v10.8 - v10.11
Other supported environments:	Linux environment

SCANNER (SP 377SFNwX)

Scanning speed:	Full colour: Maximum 4.5 originals per minute B/W: Maximum 13 originals per minute
Bundled drivers:	Network TWAIN
Scan to:	E-mail, Folder, USB, FTP, mobile device (with a free App)

FAX

Circuit:	PSTN, PBX
Compatibility:	G3
Transmission speed:	G3: 3 second(s)

PAPER HANDLING

Recommended paper size:	A4 A5 A6 B5 B6 B5
Paper input capacity:	Maximum: 300 sheets
Paper output capacity:	Maximum: 125/50 sheets
Paper weight:	Paper tray(s): 52 - 162 g/m² Bypass tray: 52 - 162 g/m² Duplex: 60 - 105 g/m²

ECOLOGY

Maximum:	890 W
Ready mode:	120 W
Sleep mode:	Less than 1 W

CONSUMABLES

All-in-one cartridge capacity (ultra high yield):	Black: 6,400 prints
Starter toner:	Black: 6,400 prints
Consumable yield measuring method ISO/IEC 19752
