PHILIPS

Steam iron
Steam 40g/min 160g steam boost, SteamGlide Plus soleplate, 2400 Watts

GC3811/77

Highlights

Optimal weight

The iron has the optimal weight to move easily over any garment, making ironing less of a hassle and easy to constantly place the iron on the board and back to its heel rest.

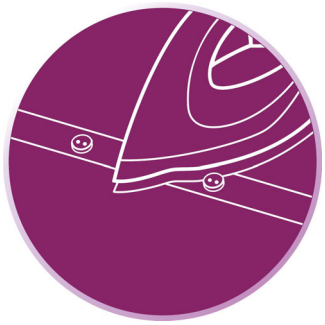
2400W for quick heat up

With the 2400W the Azur Performer Plus steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

Fabric Protector

The Philips delicate fabric protector will ensure that you can thoroughly iron even your most delicate garments. It helps avoid damage caused by heat and shiny patches caused by ironing in high temperatures, while it allows full steam output for excellent ironing results.

Triple Precision Tip



The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need.

Steam boost up to 160 g

The iron's 160 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide Plus soleplate

Our best gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully designed vents secure a well balanced steam distribution.

Steam Up to 40g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.
