Create the right light style

Philips Enneper recessed spot light is made of high quality material and simple lines that fit every style. Choose your Philips GU10 LED bulb to go with your spot style and ensure a high-quality and long-lasting light.

Special characteristics
- No bulb included
- Easy bulb swap

Designed for your living room and bedroom
- high-quality material
- No dust, no rust

Highlights

No bulb included
This lamp comes without a bulb, which enables you to choose the light output that is best suited to the room and your personal taste. Choosing a Philips LED bulb will ensure high-quality and long-lasting light output.

Easy bulb swap
The new easy-to-use ring allows effortless GU10 bulb installation.

high-quality material
This recessed spot is made of high-quality synthetics. This ensures a solid and long-lasting product which will enhance your home for many years to come.

No dust, no rust
The special no dust, no rust surface material of this recessed spot minimises dust-gathering and ensures a long lifetime for your product.
