Features

Leak free! Moms confirm

No more mess! The new patent pending valve ensures that water comes out only when the child is drinking from the spout.

Angled spout

The angled spout is designed to help toddlers take their first sips easily without tilting their head back too much.

Ergonomic trainer handles

Trainer handles help your toddler to hold the cup and drink independently. These handles are shaped for little hands to grab easily and they are also rubberized for a non-slip grip.

BPA Free

This Philips Avent cup is made from BPA free material.

Compatibility across the range

The Philips Avent cup is compatible with the Philips Avent Natural and Anti-colic bottle range (excluding the glass bottle), and all other Philips Avent cups (excluding the My Easy Sip cups and My big Kid cups).

Hygiene cap

Whether at home or on-the-go, the protective hygiene cap always keeps the spout clean.

Cup is dishwasher safe
