- Steam boost up to 160 g
- Ceramic EasyFlow soleplate

PHILIPS

Steam iron
Steam 40g/min;160g steam boost Ceramic soleplate, 2400 Watts

GC3569/26

Highlights

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Up to 40 g/min of steam

Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Large watertank

Comfortable ironing with less refilling. The 400ml XL water tank allows longer ironing without refilling. The large buttons and comfortable steam slider are easily accessible and give you full control.

Ceramic EasyFlow soleplate

Ceramic EasyFlow soleplate is scratch resistant, glides well and is easy to clean.

Steam boost up to 160 g

The steam boost can be used for vertical steaming and tough creases.
