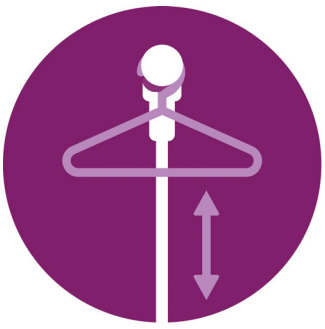
PHILIPS

Highlights

Adjustable pole



Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Safe to use on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.

25% larger steam plate

This EasyTouch Plus steamer is equipped with 25% larger steam plate compared to the predecessor models. This allows you to cover more fabric area in one stroke and therefore you can be more efficient in steaming your garment.

Glove for extra protection

Included is a glove that protects your hand during steaming.

Special garment hanger

Special garment hanger lets you easily hang your garments like shirts, dresses and trousers while using the steamer.

Easy de-calc function

Prolong the lifetime of your appliance by using the Easy de-calc descaling function regularly.

Large detachable watertank

Large, detchable, transparent water tank suitable for a lond steaming sessions. Easy refill with large filling hole.

Support accessory

Providing support during steaming is essential for achieving better results. Thanks to the additional support accessory, crisp results are now easier to achieve.

3 steam levels

Set your preferred steam level for optimal results on different kinds of fabrics.
