Highlights

Up to 170 days standby time
The phone can be on and in standby mode continuously for up to 170 days on a single charge.

Up to 58 hours of talk time
The phone can support up to 58 hours conversation on a single charge.

Portable USB charger

Your Philips Xenium mobile phone is literally a small powerhouse in your hand. Not only does it feature superb battery performance for long conversations, it also recharges your smart phones once you hook them up with the right USB connecting cable. Feel the surge with this power booster on the go.

2.0 Megapixel camera
Capture your most precious memories with the clearest, sharpest picture quality imaginable through stunning 2.0 megapixel resolution. Press camera key to take vibrant pictures to use for wallpaper and fotocall, or to send later via MMS.

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.
