- Energy saving
- High quality LED light
- Long operating life up to 20 years

Special characteristics

- Can be connected to products from the same family
- On/off switch on article

PHILIPS

Wall light
LINEAR LED 2700K white, LED

3123131P0

Highlights

High quality LED light

The LED light bulb, delivered with this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Connectable product

This product is connectable with a similar product or with any other product from the same family.
