Philips EasyPro Expert
Bagless vacuum cleaner

1600 W
PowerCyclone 6
6 accessories
Remote control

FC5838/81

Full performance. Strong dust pick-up.

With PowerCyclone 6 and TriActive nozzle

Our new EasyPro Expert cleans deeply with minimal effort. With superior PowerCyclone 6 and air-dust separation, for strong suction for longer. You'll clean efficiently, thanks to our high-performance TriActive nozzle and accessories.

Exceptional performance
- PowerCyclone 6 for exceptional dust and air separation
- Powerful 1600 Watt motor for excellent cleaning results
- The TriActive nozzle applies 3 cleaning actions in one go
- TriActive Z hard floor nozzle for dust and crumbs
- Rotating Mini Turbo Brush for easy hair and fluff removal

Effortless cleaning
- ErgoGrip remote control for instant and easy control
- Extra handle for easy carrying
- Advanced dust container design for easy emptying
- Integrated brush on handgrip for extra convenience
- Crevice tool help you to clean narrow spaces

Care for you and your home
- Soft noise for enjoyable cleaning experience
- Big rubber wheels for protection of your floors

PHILIPS

Bagless vacuum cleaner
1600 W PowerCyclone 6, 6 accessories, Remote control

FC5838/81

Highlights

PowerCyclone 6

The aerodynamic design of PowerCyclone 6 minimizes air resistance and ensures exceptional cleaning performance through 3 highly efficient steps: 1)Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

1600 W motor

The 1600 Watt motor generates max 320Watt suction power for high performance.

TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

TriActive Z hard floor nozzle

The new TriActive Z hard floor nozzle removes all dust and crumbs in one go. Unique Z-shaped design guides the dust and the bigger crumbs into the air channel wihtout pushing them forward. Side air channels perfectly clean along the plinths. Now there is no more need to lift the nozzle to remove bigger crumbs and ensure an exceptional clean of your hard floors.

Mini Turbo Brush

The Mini Turbo Brush quickly removes (animal) hairs, fluff, and dust from couches, cushions, and other fabrics. This brush is ideal for pet owners.

ErgoGrip Remote Control

ErgoGrip remote control enables easy maneuverability of the nozzle in tight spaces. Integrated remote control makes it easy to increase, reduce the power or even turn off the vacuum cleaner with your fingertips. This offers you instant and easy control.

Extra handle

Extra handle for easy carrying

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.
