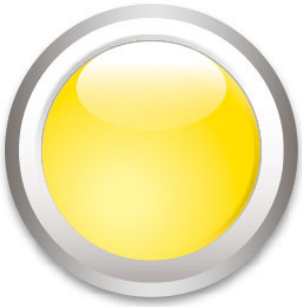
Highlights

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing
- Material: aluminium, synthetics
- Colour: grey

Extra feature/accessory incl.
- Dimmable
- LED integrated
- Diffused light effect
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 5.9 cm
- Length: 34.5 cm
- Width: 34.1 cm
- Net weight: 2.280 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Number of bulbs: 9
- Wattage bulb included: 2.5 W
- Total lumen output fixture: 1650 lm
- Fixture dimmable
- LED
- Lifetime up to: 15,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 34.8 cm
- Length: 35.8 cm
- Width: 7.3 cm
- Weight: 2.930 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Ceiling light
