## Decorate your home with light

The Philips myLiving Octagon ceiling light is a light of many talents. The high-quality light is warm and diffused when it is mounted on wall or ceiling. Its energy efficiency and lasting performance just add to its charm.

### Sustainable light solutions

- Philips bulb always included
- Energy saving
- Warm white light

### Special characteristics

- Suitable for wall and ceiling installation

# Highlights

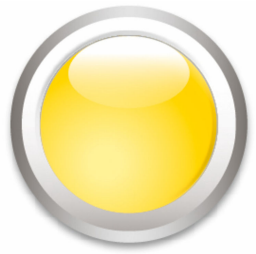
### Philips bulb always included

High-quality Philips EcoLamp energy-efficient light lamps are included in the box for achieving the best light effect.

### Energy saving

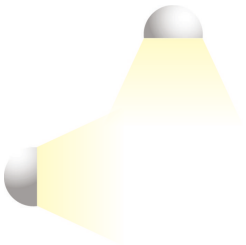
This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### Wall and ceiling installation



Install this lamp as a wall light or ceiling light, just the way you like it.
