- Maximise heat coverage: 45° oscillation
- Sleek and compact design
- Easy to carry w/ inbuilt leather handle
- Tested for durability + quality

** (1) This appliance with AI-powered Auto Plus mode can save up to 50% kWh compared to the same appliance with manual control, and up to 25% kWh with temperature control alone. Savings vary based on weather, geographic location, room layout and usage patterns
*** (2) Sound level at speed 1, based on IEC 60704-2-2
**** (3) Temperature displayed in the App may differ from the room temperature; it reflects the temperature around the heater

Highlights

Immediate comfort w/ rapid 2 s heating

Experience powerful, immediate warmth in just 2 seconds with adjustable power up to 2000 W. Ideal for rooms up to 20 m2 in size.

Ultra-quiet, noise lower than a whisper

Experience the comfort of warmth with noise levels as low as 24 dB(A)—quieter than a whisper—thanks to its low-noise DC motor (2). Ideal for a restful night's sleep, a focused office environment or a peaceful ambiance in your living room.

EcoAI: 50% eng. saved vs fan heaters(1)

The world's first electric heating range that uses AI to save energy whilst heating the room. Our EcoAI Technology adjusts to your room's temperature, analyses usage habits and monitors the outside temperature to optimise energy consumption. Simply activate the Auto+ mode in the Air+ app to discover more features and enjoy personalised comfort with energy savings up to 50% (1).

Ultimate control w/ Philips Air+ App

Connect the heater to the Air+ app to monitor indoor and outdoor air quality, control the device remotely and use voice commands via Google and Alexa. Select Auto+ mode in the app to benefit from AI technology that adapts to your routine while minimising noise and energy consumption.

5 x advanced safety features

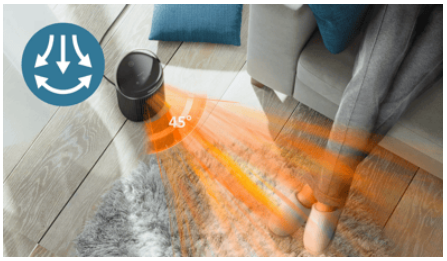

The 3000 series is built with 5 advanced safety features: (1) tip-over protection, (2) 65° overheat protection, (3) a VDE-certified safety plug, (4) flame-retardant materials and (5) a safety auto-off after 16 hours of inactivity. Providing warmth that you can trust.

Customise your experience with 5 modes

Set your auto target temperature from 1-37°C and customise your warmth with 3 power modes: 900 W, 1200 W and 2000 W (3). On warmer days, enjoy a gentle breeze with the ventilation mode, adding an extra layer of comfort to your environment. For optimal energy efficiency, engage the Auto+ mode, which utilises our energy-saving EcoAI Technology to efficiently heat your room.

Maximise heat coverage: 45° oscillation

45° oscillation ensures that warm air is circulated throughout your room. No more cold spots, just a comfortable and cool experience.

Sleek and compact design

The 3000 series combines powerful warmth with a sleek, stylish design that complements any room. With its compact dimensions of just 24.9 cm in height and 19 cm in width, as well as a premium vegan leather handle, it can fit seamlessly into any corner.

Easy to carry w/ inbuilt leather handle

Wherever you need warmth, our heater is there. Designed for easy portability, its lightweight build at just 1.7 kg and convenient premium vegan leather handle allow you to move it from room to room effortlessly. Enjoy warmth wherever you choose to relax or work.

Specifications

General Specification

Product Type: Heater
Technology: Eco AI Technology
Colour: Dark grey
Primary Material: Plastic
Internet connectivity: Yes
Wi-Fi range: 2.4 GHz
Voice control: Yes (Alexa and Google Voice)

Technical Specifications

Maximum power: 2000 W
Power settings: 3 (900 W, 1200 W, 2000 W)
Temperature control: 1–37°C
Temperature display: No (only in App)
Ventilation mode: Yes
Oscillation range: 45°
Min. sound level: 24 dB(A)
Max. sound level: 40 dB(A)

Safety feature

Overheat protection: Yes
Tip-over protection: Yes
Automatic shut-off: Yes
Flame retardant: Yes
Certified plug: CE, UKCA, IEC

Energy efficiency

Stand-by power consumption: <2 W
Voltage: 220-240 V
Frequency: 50/60 Hz

Maintenance

Warranty: 2 years

Country of Origin

Produced In: China

Performance

Recommended room size: 20 m^2

Usability

Cord length: 1.5 m
Scheduler: Yes
Timer: 1-12 hour(s)
Interface: Touch, LED

Weight and Dimensions

Product Height: 249 mm
Product Weight: 1.70 kg
Product Width: 190 mm
Product Length: 172 mm
Package Length: 222 mm
Package Width: 240 millimetres
Package Height: 299 mm
Package Weight: 2.47 kg
