- Power cord winder for easy storage
- Removable lid for easy reach during cleaning
- Micro-mesh filter for a clear cup of water
- Flat heating element is easy to clean
- Steam leak-proof design for lid, handle and switch
- Multi safety system

Highlights

360° water level indicator

Easy-to-read water level indicator from every angle due to the translucent body. The stylish stripes smartly indicate the water and cup amounts as well.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

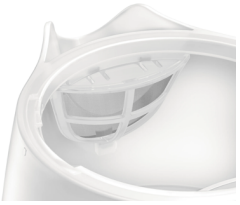
Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Removable lid

Fully removable lid for easy reach during cleaning.

Micro-mesh filter



The removable, fine, micro-mesh filter on the spout retains all scale particles larger than 180 microns and ensures that the water you put into your cup is clean.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Steam leak-proof

Steam leak-proof design for lid, handle and switch, to avoid steam contact.

Multi safety system

Multiple safety system against boiling dry, with auto switch-off when ready or when lifted from the base.
