CSPKBTWPHLY

Wireless Bluetooth Waterproof LED Light Speaker

The Conceptronic Wireless Bluetooth Waterproof LED Light Speaker is a funky Bluetooth multimedia device which connects to any Bluetooth mobile phone, PDA, laptop or PC. Designed with an easy-carry handle, simply hang the speaker up high and experience 360° surround sound stereo music. Create a variety of atmospheres by changing to different LED flash modes and match the light to your music. With waterproof housing, the speaker is perfect for outdoor activities such as camping, partying, barbeques at the beach or wherever life takes you.

Highlights

> IPX4 International Waterproof Standard
> Bluetooth 2.1 wireless connectivity
> 450mA rechargeable battery built-in. Sustains 2-3hr operation
> Multi-colored LED light
