Decorate your home with light

Intriguingly finished in quality white metal, the Philips myLiving Nister LED table lamp bathes your desk top with warm, white light. The uniform shine from the LED lamp is easily accessible for convenient illumination.

Sustainable light solutions

- Energy saving
- High quality LED light
- Long operating life of up to 15 years
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Special characteristics

- On/off switch on cable

PHILIPS

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

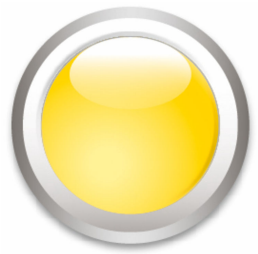
High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the lamp on and off.

Specifications

Design and finishing

- Colour: white
- Material: aluminium

Extra feature/accessory incl.

- 5 year warranty on the LED module: Yes
- LED integrated: Yes
- On/off switch on wire: Yes

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Table lamp
- EyeComfort: No

Power consumption
- Energy Efficiency Label: Built in LED

Product dimensions and weight
- Height: 19.7 cm
- Length: 30 cm
- Net weight: 0.900 kg
- Width: 7.3 cm

Service
- Warranty: 5 year(s)

Technical specifications
- Lifetime up to: 25,000 h
- Light source equivalent to traditional bulb of: 35 W
- Total lumen output fixture: 270 lm
- Bulb technology: LED, Safety Extra Low Voltage
- Light colour: warm white
- Mains power: Range 220 V–240 V, 50-60 Hz
- Fixture dimmable: No
- LED: Yes
- Built-in LED: Yes
- Energy class included light source: Built-in LED
- Number of bulbs: 1
- Wattage bulb included: 3 W
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: III — safe extra low voltage
