8000 Induction Extractor Hob 83 cm Recirculation

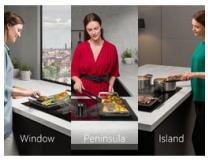

NCP84C01AZ

Your kitchen, your way.
Get the Kitchen Design Freedom you need. This duo combines an induction hob with a powerful integrated extractor, so you don't have to worry about a hob and separate hood. Now you can plan your kitchen layout with the freedom your creativity needs.

Product Benefits & Features

Get the Kitchen Design Freedom to plan your kitchen your way
This combination of an induction hob with a powerful integrated extractor gives you the Kitchen Design Freedom you need. Now you have more space for your versatile kitchen layout ideas.

Less scratches with elegant SaphirMatt glass
The SaphirMatt glass provides superior protection against scratching compared to our standard ceramic hob surfaces. The elegant black matt finish is resistant to fingerprints and stains – keeping your hob looking new for longer.

After cooking, quietly clear the kitchen air with Breeze
After the cooking is done you want to be able to enjoy your meal and discreetly freshen the kitchen air. The Breeze function quietly clears the kitchen air, without disturbing the ambiance for you and your guest.

Easy to clean. Easy to remove. 2-in-1 Filter
The 2-in-1 Filter combines both a charcoal and grease filter that removes odours and grease. If the appliance is installed in recirculation mode, then a 2-in-1 filter is needed. The Filter is easy to remove and can be washed in the dishwasher.

Automated extraction.
Auto mode extraction for during cooking. If you turn the temperature up or down on the hob, the extractor's fan will adjust itself accordingly. Meaning all your focus goes into your food.

- Child safety lock function
- Automatic safety switch off
- Indicator for grease filter saturation
- Indicator for carbon filter saturation

Product Specification

Frame Type	Statement Frame Matt Black
Dimensions (mm) (WxD)	830x520
Built-in Dimensions (mm) (HxWxD)	212x780x490
Air Outlet (mm)	220
Grease Filter Type	Combined Aluminium mesh
Number of Grease Filters	2
Aperture Cut Out (mm)	5
Energy Rating	A+
Fluid Dynamic Efficiency Rating	A
Grease Filter Efficiency Rating	B
Motor Type	Brushless
Cord Length (m)	0
Bar Code	7333394050140
ProdPartCode	Exclusive KR Partner
Plug or Hardwired	Hardwired connection only
Left Front - Power/Diameter	2300/3200W/210mm
Left Rear - Power/Diameter	2300/3200W/210mm
Right Front - Power/Diameter	2300/3200W/210mm
Right Rear - Power/Diameter	2300/3200W/210mm
Number of Cooking Zones	4
Series	8000
Hob Type	Induction Extractor Hob
Ducted Extraction Rate - Min/Max/Intensive (m³/h)	630x500x270
Recirculated Extraction Rate - Min/Max/Intensive (m³/h)	250/465/585
Ducted Noise Level - Min/Max/Intensive (dB)	49/64/70
