Highlights

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

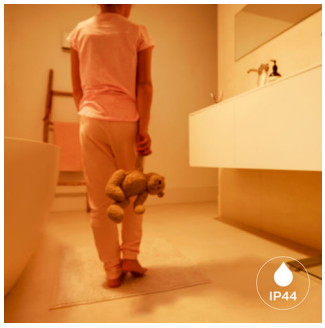
Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom-safe



This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

On/off switch on article

With the button discreetly integrated into the lamp, you can easily switch the light on and off.

Specifications

Design and finishing
- Material: metal, synthetics
- Colour: chrome

Product dimensions and weight
- Height: 5.1 cm
- Length: 18.3 cm
- Width: 14.6 cm
- Net weight: 0.530 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: GX53
- Wattage bulb included: 8 W
- Maximum wattage replacement bulb: 9 W
- Light colour: warm white
- Lamp lifetime up to: 6000 hrs
- Fixture dimmable: No
- LED: No
- Built-in LED: NO
