- Part of a modular system

Sustainable light solutions
- High quality LED light
- Energy saving
- Warm white light
- Adjustable light intensity with dimmer switch
- Long operating life up to 20 years

PHILIPS

Under cabinet light
Finesse matt chrome, LED

338011716

Highlights

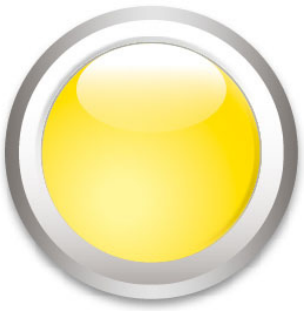
Part of a modular system

This product is part of a modular system. This means it can be connected with other products from this system in any combination. The other products of the system can be recognised by the red jigsaw puzzle piece.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Warm white light



Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Accurate colors

This Philips kitchen light makes colors reflect in a natural and accurate way. Just the way the sun would do.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

- LED integrated
- Defined light beams

Product dimensions & weight
- Height: 5.5 cm
- Length: 60.1 cm
- Width: 15.8 cm
- Net weight: 0.730 kg

Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 2 W
- Light color: warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 45°
- Total lumen output fixture: 290 lm
- Fixture dimmable
- LED
- Built in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed

Service
- Warranty: 2 year(s)

Packaging dimensions & weight
- Height: 61.5 cm
- Length: 15.4 cm
- Width: 8.2 cm
- Weight: 0.850 kg

Miscellaneous
- Especially designed for: Kitchen
- Style: Contemporary
- Type: Under cabinet light
