Ease your baby's transition to a drinking cup

This Natural trainer kit eases your baby into their first cup. The comfort grips help your baby hold the bottle independently while drinking from the familiar nipple. When ready, switch to the silicone spout to complete the transition.

Ideal first step to a drinking cup
- Soft touch trainer handles for little hands
- Interchangeable nipple and soft spout

Convenient for you and your baby
- All parts are dishwasher safe for convenience

Other benefits
- Compatible with Philips Avent Natural and Classic+ bottles
- Get expert advice with uGrow
- Flexible spiral design combined with comfort petals
- Unique anti-colic Airflex vent technology
- This bottle is BPA free*

Highlights

Ergonomically designed trainer

Trainer handles help your toddler to hold the cup and drink independently. These handles are not only shaped for little hands to grab easily, they are also rubberized for a non-slip grip.

Interchangeable

The Sip, no drip soft spouts are Interchangeable with Natural nipples. This gives you flexibility to move from bottle to cup whenever your child is ready.

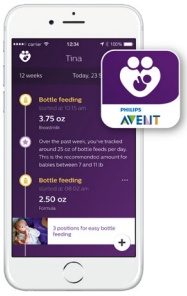
Cup is dishwasher safe

All parts are dishwasher safe for convenience

Compatibility across the range

The new Philips Avent cup is compatible with the Philips Avent Natural and Classic+ bottle range (excluding the glass bottle), and all other Philips Avent cup (excluding the Natural Drinking Cup).

Team up with uGrow



Download the uGrow app to keep track of your baby's feeds, get expert advice and establish healthy routines.

Flexible spiral design

Flexible spiral design, combined with our unique comfort petals to create a flexible nipple, allowing for a more natural feed without nipple collapse.

Anti-colic vent technology

Our unique anti-colic Airflex vent technology was designed to reduce colic and discomfort, by venting air away from your baby's tummy.

This bottle is BPA free*

The Philips Avent Natural bottle is made of BPA free* material (polypropylene).
