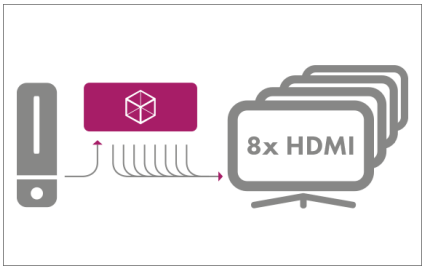
ICY BOX **IB-SPL1081**
HDMI® input to 8 port HDMI® graphics splitter



8x High Speed HDMI®

1 in, 8 out. All channels allow the high resolutions and framerates with 4K/3D and HDCP 2.2. support. Perfect for digital signage and other multi-display applications.

Smart information

The color front LEDs always informs about the current status of the HDMI ports®.

Brilliant quality

The sturdy but noble metal case allows usage even in tough environments. Thanks to the rubber feet the graphics splitter will not slip and remains in a stable position.
