NGS BLUETOOTH SPEAKER ROLLER JOY BLUE

3W BLUETOOTH SPEAKER - TF CARD LINE IN - FM RADIO-USB

NGS Roller Joy is a mini portable wireless Bluetooth speaker, rechargeable for smartphones and tablets.Roller Joy outstand for their great power and sound quality despite their small size. Thanks to its long-life rechargeable battery, you can listen to music without external power. Bluetooth Speaker: Connect your phone or computer via Bluetooth and play your music with the best sound quality. External speaker: Connect NGS Roller Joy to an external audio source with the 3.5mm jack cable included and power the sound of your devices. Bluetooth Handsfree: Thanks to the built-in microphone you can use NGS Roller Joy as handsfree and talk comfortably with your phone or smartphone. NGS Roller Joy works with A2DP & AVRCP profiles which allow controlling the speaker from your Bluetooth mobile. You can turn the volume down/up, skip tracks and pause the music. You will be able to receive calls while using your Smartphone's Bluetooth connection thanks to its built-in microphone.
